IRVs
Data
NASA/ATSC
• Receive data from NASA network
• Receive data from WPLTN stations
• QC incoming data
• Transmit daily files to data center
ILRS Operations Centers
MCC
• Receive data from selected stations
• QC incoming data
• Transmit daily files to data center
ILRS Data Centers
NASA CDDIS
• Archive and distribute tracking data
• Archive and distribute ancillary information
• Archive and distribute meteorological and engineering data
• Archive and distribute ILRS products
• Backup and secure ILRS data and products

EUROLAS Data
WPLTN Data
Other Data and Information
DGFI EDC
• Archive and distribute tracking data
• Archive and distribute ancillary information
• Archive and distribute meteorological and engineering data
• Archive and distribute ILRS products
• Backup and secure ILRS data and products
ILRS Prediction Providers
ATSC
• IRVs for many satellites
• TBs for all satellites
NERC
• IRVs for all satellites
• TBFs for all satellites
GFZ/D-PAF
• IRVs for ERS-1/2
• TBFs for ERS-1/2
MCC
• IRVs for WESTPAC
