

ILRS OPERATIONS CENTER RESPONSE FORM

Operations Center Name: _____

Name of Primary Technical Contact: _____

Parent/Funding Organization: _____

Address: _____

Phone No.: _____

FAX No.: _____

E-mail Address: _____

Center Web Site: _____

Which subnetwork(s) and/or individual stations will you support: _____

Database software packages used: _____

Computational/Data Storage Hardware Available:

Total Data Storage Capacity Available for SLR/LLR Data and Science Products (GB):

Network Access Available/Maximum Data Transfer Rates (FTP, TELENET, Interactive, WWW, dial-up, etc.): _____

Planned Upgrades (if any): _____

Yearly manpower to support proposed effort (many years): _____

Will your center be in the routine data transfer path between the tracking sites and Global Data Centers (Y/N): _____

If yes, do you commit to the transfer of SLR ranging data from the stations/subnetworks you support to the global data centers within 24 hours of acquisition or less (Y/N)? _____

On weekends(Y/N)? _____

Which of the following services will you perform for the subnetworks/stations (Y/N)?

Collection and merging of data from the subnetwork?: _____

Format and data integrity checks?: _____

Data reformatting into an ILRS/CSTG standard format?: _____

Compression of data files?: _____

Maintenance of a local archive of normal point data?: _____

If Yes, For how long?: _____

Maintenance of a local archive of full rate data?: _____

If Yes, For how long?: _____

Generation of satellite acquisition data?: _____

If Yes, What form?: _____

If Yes, Which satellites?: _____

Updated time biases?: _____

If Yes, Which satellites?: _____

Electronic transmission of data to a designated ILRS Regional or Global Data Center? (R/D):

If Yes, Which Center?: _____

Monitor global "quick-look" reports from the analysis centers and report data problems to the stations under your jurisdiction?: _____

Sustaining Engineering?: _____

If Yes, For what subnetwork/stations?: _____

If you perform sustaining engineering, should data problems at a station be reported to the Operations Center?: _____ Station?: _____

Other services?: _____

What services (if any) do you propose to provide to the global SLR network? _____

Please add any additional information regarding your center's capabilities or experience that you feel is relevant.

Please include a list of associates and their email addresses:
